WITH JAECCO 7

From Classic Beyond Classic

Experience the perfect blend of luxury and adventure with the JAECOO 7. With top-tier safety features and cutting-edge technology, the JAECOO 7 is born to conquer the most challenging routes effortlessly.

MINIMALIST MEETS EXQUISITE

The J7 appears more minimalist and exquisite, aligning more closely with the aesthetic demands of the new era. Compared to traditional SUVs, the J7 features concise and straight lines, and a robust, angular contour. This creates a balanced visual impact, exuding both intellectual and physical prowess, characteristic of the contemporary elite.

OMODA | JAECCO

GRANDEUR AND IMPOSING PRESENCE

The large hexagonal waterfall grille paired with segmented LED headlights gives the J7 a bold yet rugged front facade. Combine with the oversized JAECCO emblem. Giving the impressions of grandeur and imposing.

DYNAMIC WAISTLINE AND SLOPING ROOFLINE

The water-cut line extends from the edge of the front lights to the rear, reminiscent of a meteor streaking across the sky, enhanced by the contemporary hidden electric door handles, showcasing J7's streamlined aesthetics in full glory, where tradition meets innovation, functionality meets design.

CRYSTAL ARRAY LED TAILLIGHTS

The minimalist and soaring waistline extends to the rear, complemented by the crystal array LED taillights, soaring waistline comparable to luxury cars. This angular contour enhances J7's unique charm and allure.

ENOUGH ROOM FOR COMFORT JOURNEY

Flat central channel in the rear undoubtedly provide an advantage in spatial depth, offering a more spacious and comfortable in-cabin driving experience. The application of double-layer soundproof glass and extensive soundproofing materials within the J7 further enhances its overall tranquility.

AMPLE STORAGE SPACE SAFEGUARDING LONG JOURNEYS

The J7 also features unique-to-its-class abundant storage spaces, such as a central console tissue box, phone pouch, umbrella slot, and small hooks, elevating the J7's spatial expansion to a new level.

LARGE PANORAMIC SUNROOF INVITE LIGHT IN

1.1m² large panoramic sunroof invite all the light in. Double-layer soundproof glass and extensive soundproofing materials enhances its overall tranquility.
